

WOLF SWAMP PROJECT MEETING

LOCATION:

Fire Station Meeting Room

Wednesday, November 20, 2019

6:00pm

- I. *Due to time constraints, we plan this to be one of two meetings. It is critical the group works together so we have a clear outline at the end of the first meeting.*
- II. Introductions, expectation of conduct and definition of task
- III. Review of goals, objectives and actions
- IV. Project scope: define # and types of fields, define specifications and options for parking, fencing and suggestions for other enhancements
- V. Identify desired design features
- VI. Form Sports Council to discuss field sharing, scheduling during construction
- IX. Next meeting date
- X. Adjournment
