Mr. Stephen J. Crane  
Town Manager  
Town of Longmeadow  
Longmeadow, MA 01106

Dear Mr. Crane:

Re: Adult Center Task Force

The task force formed by the Select Board conducted its final meeting today. As the Chairperson, I report that all four sites were carefully considered by the members of this task force.

At today's meeting, there was consensus. It is our opinion that best site for a new or renovated Senior Center would be the Turner Park Site #1. We considered costs, location, site selection and program disruption. Together we concluded that Site #1 was the most desirable location and project for the Town of Longmeadow, and are hereby recommending this site be considered by the Select Board.

We all appreciate having been chosen to serve the Town of Longmeadow in this capacity and if there is anything further we can do for the Select Board and the Town, please let me know.

Sincerely,
