

*Longmeadow Dance School*  
*Class Dates 2008-2009*

Each class will meet a total of 26 times throughout the school year. If your class is cancelled due to a snow day or teacher's illness, that class will be made up at the earliest convenience. When school is not in session, dance is not in session. There are a few "random" dates where there are no classes- this is to allow each class to meet the same number of times- please refer to this calendar throughout the year!! Dates in **BOLD** are dates classes **DO NOT** meet.
