Longmeadow Public Schools Summer Enrichment Program

For decades Longmeadow Public Schools has had a reputation for providing invigorating summer enrichment opportunities to students of all ages from Longmeadow and surrounding communities. This year we are pleased to continue our fine offerings through collaboration with the Longmeadow Parks and Recreation Department. The program will continue to extend past favorites as well as offer many new and exciting courses. The Summer Enrichment Program boasts motivated, academic professionals who have a sincere passion not only for their subject, but also for working with students. We provide engaging educational experiences that keep students returning to our program year after year. Whether you are an elementary school child looking for an opportunity to express your dramatic side, a high school student hoping to pass an academic class, or an adult seeking a challenging artistic experience, the Summer Enrichment Program has a course for you.

Registration

To enroll in any of our programs, please register online using the Longmeadow Parks and Recreation website at www.lprd.net or utilize the registration form on page 48, and mail, fax or drop off at the Parks & Recreation Main Office in the Community House, 735 Longmeadow St., Longmeadow, MA 01106. The Longmeadow Public Schools Summer Enrichment Program follows the Longmeadow Parks and Recreation guidelines for registration and refunds, but does not impose non-resident fees. These programs are not licensed by the Longmeadow Board of Health, therefore Massachusetts Health and Immunization forms are not required.

- Please register early. Though the majority of our offerings do not have published registration deadlines, many courses have limited space. It is best to register as early as possible to ensure your spot in the course.

- All classes meet at Longmeadow High School, 95 Grassy Gutter Road, Longmeadow, MA, unless otherwise noted.
- No course verifications will be mailed; your receipt is your confirmation. Please make a note of course times and dates.
- Academic credit is possible for some classes. This status is determined by the guidance department of the individual student's school.
- Please use the registration form on page 48.
